Hi, Fred,

Yes, I do have the document on Dimock, and I will get you something by the end of the day today, Wednesday. I understand completely!

Mary,

Here is the document I reference in the voice mail message I left this evening. I need to get a final resolution on the comments from the SERAS contractor provided in the attached (their comments and proposed actions in red).

Your immediate attention to this would be greatly appreciated as we are preparing to release the data and need to this resolved.

Thanks

Cindy,

Attached you will find the project level review of the radiological data provided from the analysis of samples from the Dimock Groundwater site. Please review and if you have any comments or concerns about how the data is being interpreted or qualified, let me know or, you can contact Kelley Chase, EPA OSC.

Please forward this message as you deem necessary.

Fred
